Dispatcher ScanTrip Cloud Licensing

Use of Dispatcher ScanTrip requires the purchase of the following:

- A Dispatcher ScanTrip device license for each device you want to enabled scanning on.
- A Dispatcher ScanTrip App license (free) for each device you want to enabled scanning on.

The purchase of a license plan creates a tenant. A tenant is managed via the Dispatcher ScanTrip portal. A tenant contains:

- Users - The members of the tenant.
- Devices -The devices you want Dispatcher ScanTrip to connect to.
- Workflows - Scan-to-Me, Scan-to-Home, and Scan-to-Cloud Workflows.

Dispatcher ScanTrip is licensed per device. Customers purchase a license plan and device licenses. Volume discounts are available for a large number of devices:

- 1-9 devices
- 10-24 devices
- 25 - 49 devices
- 50+ devices
